CR-19-1991-KWR

United States

(Plaintiff)

v.

Antonio CARRILLO

Mr. CARRILLO is motioning the court to suppress the supposed evidence that the Federal agent collected from the ACHU. On the grounds that the supposed evidence cannot be proven to be factual or authentic. The agent failed to investigate both sides of the complaint.

It is known by all parties that the Facebook Thread was deleted by the employee of the ACHU. Destruction of evidence is a felony. It is also known that the supposed evidence was rewritten by the employee of the ACHU. This is evidence tampering.

It is also known that the supposed evidence has NO identifier in the upper left hand corner. Which is standard for any post on Facebook. This identifier is missing from the claimed screenshot.

It is also known that the supposed screenshot is a photograph taken by the Federal agent. This ~~photo~~ photograph is not a legitimate screenshot from Facebook.

What is not known is if the witnesses for the prosecution are or were actual participants in the online debate.

There is no proof to support this.

It is also unknown how the ACLU found Mr. Corillo's name since the entire Thread was deleted by the ACLU. And since there was no identities for the ACLU to follow.

Without the Thread, none of the above stories can be proven to be factual or truth. The Word of the witness is not enough since people lie in court constantly.

Also the ACLU is ~~not~~ not known for being completely truthfull. In addition the ACLU supports satanic lifestyles such as bloodletting of the innocent (Abortion), Indoctrination of the young (Satanic stories to kindergarten), Perversion of natural law, Perverts having sex with 7 year old girls. These are just a few examples of the mentality of the ACLU a far left political organization.

Mr. Corillo is being punished and his life, liberty, and Pursuit of happiness destroyed by evidence that is nothing more than hearsay and gossip. He is being investigated to find any small thing that is or would be a flaw in his health and character.

It is obvious that the judges have been prejuicic agents mr. carillo and are showing excessive favor to the prosecution. It is obvious because the original charges of "interstate communication" were dropped due to lack of evidence and lack of proof of a "True Threat". And also the recharging miss carillo with "Threat of arson" when the evidence is exactly the same. Mr. Carillo's home has been inspected and no evidence could be found by Parol officer Jeff Splich - Martinez towards any wrongdoing by Mr. Carillo. The Prosecution has found no wrongdoing by me. Carillo in his past or at the time of the false accusation. Therefore Mr. Carillo is motioning the court to dismiss all charges on grounds of lack of evidence.

Sincerely

Antonio Carillo
